

Habitat and Open Doors Events

There are many ways you can get involved with Habitat, as well as support our effort to raise \$4 million to build 30 homes. By attending Habitat events, you can see first-hand how Open Doors is making a difference in our community. And, through Open Doors events, we can generate funds and build awareness. Please check back to learn about new happenings that are added to our calendar. Interested in hosting an Open Doors fundraising event? Please contact Tiffany Frank at Tiffany@llhfh.org.

THE HOUSE THAT

Right now, we are planning a series of events that engage our robust (and tasty) community of local breweries and beer halls for the House That Beer Built fundraising effort! Please check back for future events. If you have a favorite establishment that would be great to add to our calendar, please let us know!

Kenya's Home Dedication, June 1

Everyone is welcome to attend our next home dedication, celebrating Kenya's achievement of affordable Habitat homeownership, on June 1, 11AM at her new home in Lancaster City's SoWe neighborhood. Email info@llhfh.org for details and to RSVP.

Construction Launch for N. 11th St Build, June 14

Come mark the beginnings of Sonia's future home in Lebanon City! We will gather at the build site for remarks and light refreshments. Please email info@llhfh.org for details and to RSVP.
