

About Habitat

We bring people together to build homes, community and hope.

Lancaster Lebanon Habitat for Humanity is a nonprofit organization that helps local families achieve homeownership. We believe affordable, equitable housing plays a critical role in life outcomes, as well as strong, stable communities.

Since 1986, we have been building and renovating homes, as well as revitalizing neighborhoods, throughout Lancaster and Lebanon counties.

We believe that when individuals and families live in an affordable, stable home, they are better able to secure other essentials and opportunities in life, such as higher education, medical care, nutritious food and job opportunities.

The annual Women Build event is an empowering opportunity for women to come together and make a difference in our community by helping to build an affordable Habitat home for a local family in need of a decent place to live.

Benefits of Women Build

-  Make an impact on a family's life and our community through building a Habitat home.
-  Network with like-minded women looking to make a difference.
-  Grow female participation within construction and gain valuable construction skills and knowledge.

What to Expect

-  Construction shifts run 8 a.m. – 3:30 p.m. with a lunch break around 12 p.m. Lunch, snacks, and water provided.
-  Be flexible and ready to work hard. There is a job for everyone, no matter the skill level!
-  Wear comfortable, safe clothing, including close-toed shoes, layers, and clothes you don't mind getting dirty.

2026 Event Information

November 5 & 6 - Linden Street Build, Columbia

We're bringing Women Build back to the Linden Street Build as we begin to put the finishing touches on this five-home project and prepare to welcome five families *home*.
