

2026 Women Build – Registration

NEW!

Individual Women Build volunteers will be required to pay a \$25

participation fee this year. Organizing a build day involves various costs including staff, construction materials, and safety equipment.

While we have always covered these expenses through our budget, we are looking to allocate more of our resources to building additional homes.

Considering this, we are continuing a participation fee for individual Women Build volunteers. This donation will help us to continue to provide meaningful volunteer opportunities and will support our efforts to create safe and affordable housing for more families.

To Register:

1. Pay the \$25 individual participation fee [using this link](#). Select the ticket that corresponds with the day(s) you wish to volunteer.
2. Complete your registration. You will receive a unique link in the payment confirmation email to complete the registration for the date(s) you selected.
Note: If you are a new volunteer to Habitat, you will be asked to create a login, complete a virtual orientation, and watch our safety videos in order to complete your registration.

**If you are part of a sponsored team, you will receive a separate group registration link and do not need to pay the individual fee.*

Each participant will receive:

- A Women Build T-shirt
- Lunch on the day of the build
- The great comradery and empowerment of joining a Women Build
